FAMILY MEDICINE NP OR MD – 32-40 hours

POSITION DESCRIPTION

Neighborhood HealthSource (NHS) seeks a Nurse Practitioner or Physician to provide the full scope of family medicine: health maintenance, acute episodic care, long-term care of chronic illness, and patient education. Depending upon total hours, the Provider may be placed at more than one clinic site. The ideal candidate has excellent primary care medicine skills with all ages and experience/interest in working in a community-based setting.

GROUP HISTORY & DESCRIPTION

NHS is a Federally Qualified Health Center that has provided basic health care to low-income and uninsured people in North and Northeast Minneapolis for 47 years. At our three clinic sites located in the neighborhoods of North & Northeast Minneapolis, we serve about 8,000 people yearly making over 19,000 clinic visits. NHS offers a friendly, diverse work environment.

CLINIC HOURS

We are open Monday through Friday, 8 am to 5 pm, with extended hours until 7 or 8 pm once weekly at each site.

GEOGRAPHIC AND PATIENT COMMUNITY

North and Northeast Minneapolis are culturally diverse neighborhoods with a concentration of low-income and uninsured individuals. Many of our patients are African-American, Latino and other minorities, including immigrants from Southeast Asia and east and west Africa. We use language interpreters and offer a sliding fee scale for our uninsured patients to ensure access to health care services. Our clinics are located on bus lines and with easy access to I-94 and 35W.

PROVIDER SCHEDULES

For full-time providers, the work week is based on four days, with eight hours per day of scheduled patient time. There is no inpatient practice. Office call is shared and limited in scope.

SALARY AND BENEFITS

Salary is competitive with other local community health centers and is negotiable depending upon qualifications. We offer a generous benefit package, including health and dental, malpractice, disability and life insurance. We also offer FSA and 403-B retirement plans as well as supplemental life insurance. NHS provides some reimbursement for continuing education, professional fees and memberships and recertification. Paid time off (including vacation and personal time) begins at four weeks for full-time staff.

FEDERAL LOAN REPAYMENT

All NHS Clinics are National Health Service Corps (NHSC) Loan Repayment Program eligible sites. Our HPSA (Shortage Area Designations) meet the federal score threshold for maximum loan repayment.
